NARRATIVE:

Jose Luis Gonzalez has an extensive adult criminal history that began at the age of 34. His convictions include battery, escape, terrorist threats, exhibiting a deadly weapon, possession of controlled substances, forgery, receiving stolen property, multiple vehicle thefts, multiple cases of contempt of court, under the influence of a controlled substance, possession of a suspended license and false info to a peace officer. He has served multiple state prison terms, the longest being a 4 year term for vehicle theft with prior. Gonzalez was released from state prison to the supervision of the Los Angeles County Probation Department on August 30, 2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2015 after he absconded from post release community supervision (PRCS). Gonzalez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft with prior is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
